

TESAR

Registration form

Date: 06 October 2015

Form 0

Instruction:

This form should be filled in by the local study center to get pathology review in the VU medical center

To register a patient send this form by email to trialbureau@iknl.nl (tel. 088-2346500)

You will receive the patient registry number automatically by email.

If you use your own account for TENALEA:

- Go to tab 'Patients'
- Choose 'add new patient' in the up right corner
- Please fill in the details below, then click on the submit button when done.

Year of birth |||| (yyyy)

Hospital

Pathology T-number |||||||

Patient has been informed that his pathology specimen will
be sent to the VUmc for review, and the results registered
in this database:

(0=no,1=yes)

Fill in the TESAR registry number below:

TESAR registry number |||||||

Please sent in the slides, blocks and pathology report **together with this form** to:

- **Nicole van Grieken, Pathology**
- **VU Medical Center**
- **De Boelelaan 1118**
- **Postbus 7057**
